In the post-Christmas dreary days of January, the annual networking event is always a highpoint: a chance to catch up with colleagues over a glass or two. Unfortunately, in-person networking is currently still out of the question so the Steering Group has organised the next best thing - an online quiz! We promise it won't be too intellectually taxing but should be a fun diversion from the challenges at hand. Details of how to sign up are below, as is information about the next in our series of "Support during Covid" sessions designed to provide a forum where staff can share experiences and hear how colleagues across the Consortium are providing services and support.

Matthew Lawson, M25 Consortium Chair

Members' Quiz

Staff from M25 member libraries are invited to join us for a general knowledge quiz on Thursday 25th February at 5 pm. We hope you will join us for a fun and informal evening with colleagues from across the region.

We expect the quiz to last around 1.5 hours. The

event will be held on Zoom and all members are invited to join us.

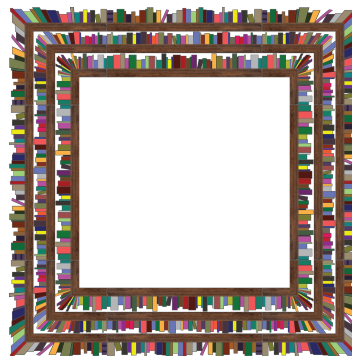

For further information and to sign up please visit the website.

Support during Covid

['Managing the student experience during lockdown'](#) on 28th January is the second in our series of free 60 minute online events, aiming to provide a safe and supportive space for staff to meet and share issues and experiences of library work during the pandemic.

Upcoming event ['Delivering Library Services Remotely'](#) on 22 January may also be of interest to staff looking for support in this area.
