

The [M25 Consortium Annual Conference](#) is open to members and non-members and alternates between online and in-person. In 2027 it will be held in-person on Tuesday 8 June at the Aga Khan Centre, London.

The M25 Consortium Conference Planning Group plans and delivers Annual Conference, with the input of M25 Consortium staff. The aim of the Group is to ensure that the Consortium delivers a successful Conference each year which reflects the interests of the M25 community of libraries.

The Group has approximately 8-10 members:

- the Chair of the Trustees
- members of the M25 Consortium Steering Group
- staff from Consortium member institutions
- M25 Consortium Support Staff: Operations Manager and Administrator (Events & Programmes).

Member Role

Members of the Group are involved with the planning, delivery and post-event stages of Conference. Each member's roles vary but members may get involved with the following activities:

Planning stage

- Contributing ideas to discussion of a Conference theme
- Contributing to programme development
- Suggesting session & speakers & approaching potential speakers
- Discussing event logistics eg venue arrangements
- Promoting Conference
- Supporting Lightning Talk/new speakers

Delivery stage

- Attending Conference as one of the 'on the day' delivery team (with a free place)
- Chairing or facilitating a session
- Delegate registration and support
- Venue liaison
- Supporting speakers and sponsors

Post-event stage

- Gathering informal feedback
- Attending post-event wash-up meetings to learn from Conference

Being part of the Conference Planning Group provides valuable experiences in event delivery and a great opportunity to work with staff from across M25 member institutions.
